DSS IS A NASA SEWP V PRIME CONTRACT HOLDER

ABOUT

Direct Systems Support (DSS) is an elite technology solutions provider. We have made significant investments in resources, personnel, and time so we can help enterprises and governments manage risk, improve services, and reduce costs.

DSS was awarded the NASA SEWP V Contract in 2015. In 2020, DSS exercised the option to extend the term of the contract through September 30, 2026.

SCOPE

DSS offers a wide range of advanced technology, IBM Mainframe Authorized, AIX, UNIX, Linux, Windows based workstations and servers, peripherals, network equipment, storage devices and other IT and electronic component products.

DSS PROGRAM SUPPORT INFORMATION

HOW TO OBTAIN A QUOTE

The recommended method for obtaining a quote is by using the RFQ/RFI tool available at the SEWP V [website](#). You will need to create a SEWP Account. With a SEWP Account, you'll be able to conveniently request quotes, view responses, create orders and much more! Using this tool assists in providing and documenting fair opportunity.

CREATING AN ORDER

The issuing agency creates a delivery order (DO) citing the NASA SEWP Contract number and Prime Contract Holder. The NASA SEWP Program Management Office (PMO) reviews, processes and tracks issued DOs and forwards them to the Contract Holder(s). *All DOs must be routed through the SEWP PMO and should not be directly sent to DSS or any other Contract Holder.

SEWP V orders can be placed via email or fax:

Fax orders to 301-286-0317

Email orders to sewporders@sewp.nasa.gov
